INTERVIEW [REDACTED]

I interviewed [REDACTED] at the Flint Police Department on 06/05/2020. I read [REDACTED] his Miranda Rights verbatim from the Miranda Rights form. [REDACTED] agreed to waive his rights and speak with me at that time. [REDACTED] verbally identified himself and stated he lived at [REDACTED]

I asked [REDACTED] if he knew why we executed a search warrant at his residence. He said it had to do with "a [REDACTED] guy maybe" and [REDACTED] ([REDACTED]). [REDACTED] advised he heard [REDACTED] died and he never met [REDACTED].

[REDACTED] . People came to visit [REDACTED] at all hours of the [REDACTED] [REDACTED] said there was a verbal fight between he [REDACTED]

[REDACTED] explained he met [REDACTED] approximately 3 years ago through a mutual friend named [REDACTED] The second or third time [REDACTED] met [REDACTED], [REDACTED] told [REDACTED] to leave his house and not come back because he did not want anyone coming to the house to shoot it up. [REDACTED]

[REDACTED] advised [REDACTED] lived with him for approximately 2 months. [REDACTED] was dating [REDACTED]. [REDACTED] and [REDACTED] showed up to [REDACTED]'s house with an expensive tow truck. Someone showed up at [REDACTED]'s door and asked about the tow truck. They punched [REDACTED] a few times and made threats. They came back later with guns. [REDACTED] kicked [REDACTED] and [REDACTED] out after that.

I asked [REDACTED] if he knew who was involved in [REDACTED] death. He said there was a guy named [REDACTED] who lived on his street or another street near him who might be involved. A girl named [REDACTED] lived within walking distance of his house and [REDACTED] sometimes stayed with her, so [REDACTED] would visit them. D/Sgt. Esther Campbell joined the interview at this time. [REDACTED] said there may be two girls named [REDACTED] [REDACTED] hung out with. [REDACTED] said [REDACTED] stole [REDACTED] SUV. [REDACTED] said he rarely left his house, he heard everything he knew [REDACTED]. He knew [REDACTED] was friends with [REDACTED] on Facebook.

I asked [REDACTED] if he thought [REDACTED] murder and [REDACTED]'s disappearance were connected. He said he was not sure. I asked what he knew about [REDACTED]. [REDACTED] advised [REDACTED] said [REDACTED] was possibly killed or missing. I asked [REDACTED] about the women's clothing in bags that was supposed to be at his residence. He said it was [REDACTED] clothes. [REDACTED] and [REDACTED] were at [REDACTED]'s house to hang out and just left the clothes there. They told him they would be back later to pick it up. D/Sgt. Campbell asked why they would keep clothes at his house. He said they knew the clothes would be safe at his house. [REDACTED] said [REDACTED] knew [REDACTED]. [REDACTED] advised he would not recognize [REDACTED] if he saw him. [REDACTED] met [REDACTED] through [REDACTED]. [REDACTED] advised he did not know all the people that came and went from his house for [REDACTED].

[REDACTED] knew [REDACTED] and [REDACTED], and knew they came to talk to [REDACTED] about shake and bake meth. [REDACTED] did not know the difference between [REDACTED] and [REDACTED] he just knew they were both men with [REDACTED]. [REDACTED] knew [REDACTED] was [REDACTED] main meth dealer before he got arrested. He knew [REDACTED] stayed on the east side and [REDACTED] bought [REDACTED]. I showed [REDACTED] a picture of [REDACTED]. He did not know if it was [REDACTED] or [REDACTED] or someone he had never met before. I showed [REDACTED] a picture of [REDACTED]. He said he did not look familiar.

D/Sgt. Campbell asked how [REDACTED] knew [REDACTED]. He said he met [REDACTED] through [REDACTED]. He met [REDACTED] through [REDACTED]. [REDACTED] and [REDACTED] used to date. [REDACTED] did not say how much he paid for [REDACTED]'s house. At the time [REDACTED] bought [REDACTED]'s house, [REDACTED] was living with [REDACTED] on the east side. [REDACTED] thought [REDACTED] probably paid a down payment of cash to [REDACTED] for the house and was making payments to her for the rest. [REDACTED] said he has never met [REDACTED]. [REDACTED] said he has only ever met [REDACTED] maybe once.

[REDACTED] brought over 2 grams of meth to [REDACTED] house. [REDACTED], [REDACTED], and [REDACTED] smoked a little of it. [REDACTED] said Ice is the Mexican brand of meth and it was dirt cheap. [REDACTED] sold approximately 3.5 grams of meth to [REDACTED] at a time. [REDACTED] had a girl that would come from [REDACTED] to buy from him.

[REDACTED] said [REDACTED] and [REDACTED] never had a falling out. [REDACTED] knew a black guy that was [REDACTED] heroin dealer that was mad at [REDACTED] because the dealer thought [REDACTED] snitched on him. [REDACTED] thought the heroin dealer stabbed [REDACTED] or had someone do it for him and [REDACTED] ended up in the hospital. [REDACTED] knew the white guys with the stolen tow truck were really upset with [REDACTED] and came to his house with guns looking for [REDACTED]. They punched [REDACTED] a few times. They came back later that night for [REDACTED] with 8 guys with guns. They were watching all the exits. [REDACTED] said those men were not Cobra members.

around the same time as [REDACTED]. [REDACTED] that was high up in the rankings. [REDACTED] did not know a [REDACTED], but may have heard of a [REDACTED] knew [REDACTED] was a bad guy because [REDACTED] robbed drug dealers and is [REDACTED] sold Ice, heroin, and ecstasy. [REDACTED] did not know where [REDACTED]. He heard [REDACTED] was a short guy. He heard [REDACTED] was going to get killed next because he had been selling a bunch of fake ounces of meth. [REDACTED] bought fake dope from [REDACTED] within the last few months and was going to kill [REDACTED]. People are mad at [REDACTED] because his name was on paperwork for dope cases in court. [REDACTED] did a lot of Ice and was delusional at times according to [REDACTED]. When [REDACTED] picked up [REDACTED] and [REDACTED], [REDACTED] said he had some business to take care of and [REDACTED] asked if she was going with him [REDACTED] said yes [REDACTED] and [REDACTED] are in an on and off relationship. INTERVIEW SUSPECT [REDACTED]:

I sat in on an interview with [REDACTED] on 06/11/2020 with D/Sgt. Esther Campbell and Det. Laurie Salem. The interview was audio recorded. D/Sgt. Campbell asked [REDACTED] if he knew why we were there to talk with him. He said no. She explained a little more, and he said yes. [REDACTED] verbally identified himself and provided his address.

D/Sgt. Campbell asked [REDACTED] when the last time he saw [REDACTED] was. [REDACTED] explained [REDACTED] came over to his house early in the morning. [REDACTED] made everyone in the house breakfast. He said they were sitting and kicking it, and [REDACTED] left. [REDACTED] came back and was on the phone arguing with his girl over some "bullshit." Then [REDACTED] started arguing with [REDACTED] so [REDACTED] told [REDACTED] to "get the fuck out." [REDACTED] told [REDACTED] they were supposed to be homeboys and brothers. [REDACTED] told [REDACTED] he loved him, but he did not want drama in his house. [REDACTED] advised a dude pulled up in a red truck and asked for [REDACTED]. [REDACTED] told the guy [REDACTED] walked off and just left. The guy in the truck advised [REDACTED] just called him for a ride. [REDACTED] explained that was the last time he saw [REDACTED].

A few days after that, [REDACTED] said [REDACTED] came over and they talked all day. [REDACTED] ([REDACTED]) came over because [REDACTED] and [REDACTED] talked to [REDACTED] about how [REDACTED] was missing, and she did not know where he was at. [REDACTED] and [REDACTED] came over the same day and spent all day at [REDACTED] house together. [REDACTED] wanted her clothes back because she had a bunch of clothes at [REDACTED] house. [REDACTED] called [REDACTED] was hysterical. [REDACTED] said he went over to talk to [REDACTED] but she was hard to talk to. [REDACTED] said out of respect, he understood why [REDACTED] was frustrated, but [REDACTED] just wanted her clothes. [REDACTED] said [REDACTED] and [REDACTED] loved each other regardless. [REDACTED] and [REDACTED] were fighting, so [REDACTED] had [REDACTED] go sit in the car. [REDACTED] left with [REDACTED] and tried to calm everybody down. [REDACTED] said everyone needed to come together and try to find [REDACTED] instead of fight with each other.

D/Sgt. Campbell asked what day and time [REDACTED] last saw [REDACTED]. [REDACTED] said it was about 3 weeks ago. [REDACTED] clarified it was probably about 8:00 a.m. because the sun was up. [REDACTED] stayed for about an hour. D/Sgt. Campbell asked who picked [REDACTED] up from [REDACTED] house. [REDACTED] stated he did not see who picked [REDACTED] up the first time. D/Sgt. Campbell asked what time [REDACTED] got back. [REDACTED] said he did not know what time, but it could have been around noon because it was 3 or 4 hours later. D/Sgt. Campbell asked who brought [REDACTED] over that time. [REDACTED] said he did not know because he was sitting on the couch when [REDACTED] walked in the house. [REDACTED] told [REDACTED] he was going to come back when he left. [REDACTED] said at that time, he and [REDACTED] would frequently fight and break their phones, so he did not have a phone to refer back to. [REDACTED] explained at the house that morning were he and [REDACTED], and one of [REDACTED] and [REDACTED]. When [REDACTED] arrived back around noon, it was just [REDACTED] and [REDACTED]. [REDACTED] said [REDACTED] sold dope to a guy that stopped over in a big black or gray pickup truck. [REDACTED] did not know the guy and the guy did not come inside. [REDACTED] clarified the address of the house was [REDACTED]. He and [REDACTED] had lived there for a couple months.

D/Sgt. Campbell asked what [REDACTED] and [REDACTED] were fighting about. [REDACTED] said it was "little stupid shit" about [REDACTED] and [REDACTED] got loud, so [REDACTED] said he told [REDACTED] he had to leave. [REDACTED] was on the phone as he was walking out the door. [REDACTED] did not remember what [REDACTED] was wearing that day. [REDACTED] thought [REDACTED] was wearing a collared shirt or a T-shirt.

D/Sgt. Campbell asked [REDACTED] what he heard about what happened to [REDACTED]. [REDACTED] said he was not talking to anyone, so he had not heard much. [REDACTED] heard from a friend that something happened to [REDACTED] and they thought the higher ups had something to do with it. [REDACTED] also heard that [REDACTED] [REDACTED] said [REDACTED] was a

little wild, but [REDACTED]

D/Sgt. Campbell asked [REDACTED] then said yes, it was supposedly [REDACTED]. D/Sgt. Campbell asked if [REDACTED] was selling fake dope. [REDACTED] said yes, but [REDACTED] helped him make the fake stuff half the time. [REDACTED] said he was selling fake dope, too.

D/Sgt. Campbell asked where [REDACTED] He advised it was in Birch Run and it was the first night they got a hotel room up there. [REDACTED] said he got stimulus money, so he and [REDACTED] were not going to stay in his [REDACTED] explained [REDACTED] owned the house on [REDACTED] He then said she was renting to own and it was not in her name yet. [REDACTED] moved into the house on [REDACTED] when he got out of jail, but [REDACTED] lived there before that less than a year. [REDACTED]

[REDACTED] D/Sgt. Campbell asked if [REDACTED] shot off a round that morning. [REDACTED] said yes, but that it was early in the morning and everyone was sleeping. [REDACTED] said he ([REDACTED]) shoots rounds off outside all the time. [REDACTED] and [REDACTED] did not even wake up and get out of bed when [REDACTED] shot the round off. [REDACTED] told them he shot off a round.

[REDACTED] said he did not know what [REDACTED] did to "piss off" the higher ups. [REDACTED] said he had not been trying to dig for information. [REDACTED] heard something about a "little chick [REDACTED] was kicking it with." [REDACTED] went to the Knights Inn with her and got stuck up there. There was another chick from up north [REDACTED] "went with." [REDACTED] said it was just street talk and he did not take stock in it though.

D/Sgt. Campbell asked [REDACTED] if he tried to contact [REDACTED] at all since the day [REDACTED] left his house. [REDACTED] said he did the next day. The day after that is when [REDACTED] hung out [REDACTED] did not know why everyone was so worried because [REDACTED] was probably just sleeping somewhere or fell out somewhere. [REDACTED] said he tried about 5 times to contact [REDACTED]. One of the times, someone messaged him back on Facebook Messenger from [REDACTED] account, but [REDACTED] it was not [REDACTED]. [REDACTED] said it was [REDACTED] and not [REDACTED] who responded.

[REDACTED] explained one time, [REDACTED] was beefing with [REDACTED] on Facebook. [REDACTED] got on [REDACTED] Facebook and told them to stop fighting. [REDACTED] said someone hacked into his Facebook and swore at [REDACTED] but it was not him.

D/Sgt. Campbell advised she heard that [REDACTED] told someone that [REDACTED] was not going to be back. [REDACTED] said that was not true. [REDACTED] clarified that he has probably said something to the effect of [REDACTED] was not coming back because [REDACTED] was fed up with [REDACTED] or something. [REDACTED] stated he has said [REDACTED] probably was not coming back, but he never said [REDACTED] was not coming back. [REDACTED] advised that with all the "shit" going on, he hoped [REDACTED] was not coming back. D/Sgt. Campbell asked [REDACTED] to clarify what he meant by all the "shit" going on. [REDACTED] said [REDACTED] had things going on with [REDACTED] and was using heroin and meth. [REDACTED]

D/Sgt. Campbell asked who [REDACTED] was and if he was hanging out at [REDACTED] house the night before [REDACTED] was there. [REDACTED] said [REDACTED] was there the night before or the night after. D/Sgt. Campbell asked if [REDACTED] talked to [REDACTED] about [REDACTED] and [REDACTED]. [REDACTED] said [REDACTED] and [REDACTED] have fought before at [REDACTED] house, but it was a month ago and not over [REDACTED].

D/Sgt. Campbell asked [REDACTED] if he had anything to do with [REDACTED] disappearance. [REDACTED] stated, "absolutely not." D/Sgt. Campbell asked [REDACTED] if anything happened at [REDACTED] house, whether [REDACTED] had anything to do with it or not. [REDACTED] stated, "no." [REDACTED] said nothing happened at his house. D/Sgt. Campbell asked [REDACTED] if we knew something happened at his house with [REDACTED], what would he say. [REDACTED] said he was not there. [REDACTED] advised he did not care what people were saying. [REDACTED] thought [REDACTED] was last seen at the Knights Inn. [REDACTED] stated, "nothing physically happened to him when I was around him."

D/Sgt. Campbell asked [REDACTED] if he would take a polygraph and pass with flying colors. [REDACTED] said, "maybe." D/Sgt. Campbell asked him to elaborate. [REDACTED]

D/Sgt. Campbell asked who told the guy that came to pick [REDACTED] up that [REDACTED] left walking. [REDACTED] said [REDACTED] went out and told the guy in the pickup truck [REDACTED] advised that is why he said he did not know if [REDACTED] called someone else to come get him. D/Sgt. Campbell asked if [REDACTED] was with [REDACTED] at the hotel the night before. He said she was. [REDACTED] confirmed that [REDACTED] [REDACTED] said they were staying at the Old Western or Best Western right by the mall. They checked in under his name he thought. If not, it would be [REDACTED]. He said she signed the form, so it would be under her name. He did not know the room number.

D/Sgt. Campbell asked if [REDACTED] knew [REDACTED]. [REDACTED] clarified that [REDACTED] was [REDACTED]. He said he knew [REDACTED] for approximately 6 months and knew he was a bro, but [REDACTED] was never "put in his presence before." [REDACTED] said [REDACTED] was not higher up than him in the Cobra rankings, and [REDACTED] was not a foot soldier either. [REDACTED] said [REDACTED] was just a drug addict. D/Sgt. Campbell asked what [REDACTED] has heard about [REDACTED]. [REDACTED] stated, "I heard he got killed, too." [REDACTED] heard he got shot. D/Sgt. Campbell asked [REDACTED] what he heard happened to [REDACTED] after he was shot. [REDACTED] said he didn't know because he didn't do it. D/Sgt. Campbell asked if dropping someone in the middle of the open after death was a signal. [REDACTED] said he didn't know, but supposedly [REDACTED] had something to do with [REDACTED] has a bunch of "shit to do with everyone." [REDACTED] and himself. D/Sgt. Campbell asked if [REDACTED] was high up in the Cobras. [REDACTED] said [REDACTED] wasn't anybody. [REDACTED] said he did not know what happened to [REDACTED] to [REDACTED].

D/Sgt. Campbell asked [REDACTED] where we should look for [REDACTED]. He said he did not know, but probably in Flint. [REDACTED] said he had no idea. [REDACTED] said if he was in the wide open somewhere, we probably would have found him by now. D/Sgt. Campbell asked if she could take [REDACTED] signed the consent form for a search of [REDACTED]. [REDACTED]

I asked if we could use [REDACTED] to test with any evidence involved in [REDACTED] case. [REDACTED] said he didn't come into contact with [REDACTED] ever.

[REDACTED] said no, it was actually unemployment, and he just called the whole situation stimulus. Det. Salem asked him how he got unemployment when he did not work and [REDACTED] said he was not going to talk about that whole situation. Det. Salem said [REDACTED] had a lot of money on him when he went missing. [REDACTED] said he did not have anything to do with [REDACTED] coming up missing.

She advised the same person killed [REDACTED] that killed [REDACTED]. She stated she could tie up all our pieces, [REDACTED] advised she knew who [REDACTED] and [REDACTED]'s killer was, but she needed to [REDACTED]

[REDACTED] said she was willing to work with police and she would give us her word, but she needed something to help her out.

[REDACTED] said she does not know how to get to the specific house, but she could call them and ask for drugs and she would ask for directions to their house. She does not know directions or what road it is on. She advised a lot of Cobras are meth heads and are paranoid. If they think someone talked to the police, they will kill them.

[REDACTED] stated [REDACTED] killed [REDACTED] because [REDACTED], was sleeping with [REDACTED]. It was a violation of Cobra code. [REDACTED] was involved with [REDACTED] death. [REDACTED] said there is a lot of information on the streets, but some of it has been purposefully put out there to mess with people. [REDACTED] killed [REDACTED]. [REDACTED] said [REDACTED] is the next to die because he is just killing people and not getting clearance.

POND IN TUSCOLA COUNTY (33-1259-20):

While looking at police reports involving known Cobra members and possible suspects, I discovered MSP Caro Post report 33-1259-20. On 05/24/2020 at approximately 10:10 p.m., Troopers Cory Bradley and Brandon Hall responded to [REDACTED] for a vehicle stuck in the woods behind the residence. Troopers contacted [REDACTED] that observed a vehicle on her property stuck in the mud in the middle of the woods. Troopers contacted the passenger of the stuck vehicle, [REDACTED] advised her boyfriend, [REDACTED] got the vehicle stuck while trying to pull out another vehicle. [REDACTED] left the scene. The vehicle was towed from the scene by/to Ronnie's Towing. There was no other vehicle observed in the woods. [REDACTED] stated she did not know [REDACTED] information because they were newly dating.

Based on prior knowledge of the Cobras, I knew that [REDACTED] was dating [REDACTED] ([REDACTED]) at that time. [REDACTED] is a member of the Cobras. I was unable to locate any information on [REDACTED]. The vehicle got stuck in the woods a few days after [REDACTED] was last seen. There was a pond on approximately 112 acres of property owned by Tuscola Land Development, Inc near where the vehicle was stuck.

I contacted the owners of Tuscola Land Development, Inc, [REDACTED]. I explained the situation and they advised multiple people trespass on that part of their property. They have tried to stop it over the years, but said to completely stop the trespassing was near impossible. I received consent to search the property and have the Michigan State Police Dive Team participate in a search of the pond.

D/Sgt. Frost asked [REDACTED] what she knew about [REDACTED]'s situation or the situation with [REDACTED]. [REDACTED] advised she heard from her friend [REDACTED] that whoever was involved with [REDACTED] murder was involved with [REDACTED]. [REDACTED] said that to [REDACTED] but did not tell [REDACTED] who told her that. [REDACTED] has heard that [REDACTED] was involved in it. She said she kind of saw animosity between [REDACTED] and [REDACTED] but they were still friends. She said there were things they knew that she did not know. She heard [REDACTED] was the shooter in both incidents because that is [REDACTED] status in the gang. [REDACTED] said [REDACTED] always had a gun on him when she was over at him and [REDACTED] house. [REDACTED] was itching to use the gun.

I asked [REDACTED] why [REDACTED] was killed. She heard it was because of [REDACTED]. [REDACTED] was dating [REDACTED] who was [REDACTED] but was sneaking around with [REDACTED]. [REDACTED] said the Cobras handle situations like that how they want. [REDACTED] did not talk to [REDACTED] about Cobra work. She asked but he never answered. [REDACTED] asked [REDACTED] about what happened to [REDACTED]. He did not tell [REDACTED] who [REDACTED] was or anything. I asked if [REDACTED] would have the authority to order a hit on [REDACTED]. [REDACTED] said yes.

Det. Salem asked [REDACTED] if she saw [REDACTED] with a gun. [REDACTED] stated she saw [REDACTED] with a gun all the time. She described it as a silver revolver with a long barrel. [REDACTED] would always clean it. I asked where [REDACTED] was at currently. [REDACTED] said [REDACTED] put a gun in her name for some kid named [REDACTED] then reported it stolen. [REDACTED] said that was odd and out of character. [REDACTED] heard the information from someone other than [REDACTED] and heard it happened right before [REDACTED] went missing. [REDACTED] did not want to ask [REDACTED] about it.

INTERVIEW [REDACTED]

D/Sgt. Frost and I were notified that [REDACTED] had information regarding [REDACTED]'s disappearance. We interviewed him at [REDACTED] on 11/02/2020. The interview was audio recorded.

[REDACTED] advised he had information and wanted to get out and make some buys. He said he had information on murders [REDACTED] committed. D/Sgt. Frost advised [REDACTED] had to lay his information out on the table. He said he was hoping to talk to the drug police. [REDACTED] explained his situation with a gun in his girlfriend's car that he was driving and why he was in jail. D/Sgt. Frost asked what information [REDACTED] had regarding [REDACTED] or homicides. [REDACTED] said [REDACTED] was selling "mad ice" right now. He was getting it from Reno, Nevada because a girl [REDACTED] was with now has connections out there. D/Sgt. Frost asked if [REDACTED] was still with [REDACTED]. [REDACTED] said yes, but [REDACTED] just shot at [REDACTED] through the door the other day. [REDACTED] and [REDACTED] were "beefed out" because [REDACTED] is staying with a girl named [REDACTED] who has the ice connections. [REDACTED] was mad at [REDACTED] because [REDACTED] thought [REDACTED] was messing around with [REDACTED]. [REDACTED] said he was not messing around with [REDACTED]. [REDACTED] stated they killed [REDACTED], so [REDACTED] had him killed. D/Sgt. Frost asked who specifically killed [REDACTED]. [REDACTED] said it was [REDACTED]. Then they dumped him on [REDACTED] right behind [REDACTED] house. [REDACTED] confirmed that [REDACTED]s. I asked how [REDACTED] knew that [REDACTED] did it. He said he just knew and heard people talk about it. He said [REDACTED] knows and [REDACTED] talked to her a lot. [REDACTED] said he was 100 percent sure it happened on [REDACTED]

[REDACTED] said he also knew that [REDACTED] killed [REDACTED]. [REDACTED] was trying to get [REDACTED] to give him a ride to go "do it," but [REDACTED] ended up giving [REDACTED] a ride to go kill [REDACTED]. [REDACTED] did not know where they killed [REDACTED] at, but knew they dumped his body in the woods by [REDACTED]. They killed [REDACTED] because [REDACTED] pulled a gun on [REDACTED]. He stated [REDACTED]'s death and [REDACTED]'s death were orders by [REDACTED]. [REDACTED] said [REDACTED] was not there for either killing. [REDACTED] advised the gun that killed [REDACTED] ended up with [REDACTED] and [REDACTED] threw it out of a car when the police were chasing him on [REDACTED]. [REDACTED] was with [REDACTED] when he ran from the police and threw the gun out of the car. [REDACTED] heard [REDACTED] saying he needed to get the gun back from [REDACTED] that killed [REDACTED], so he could dispose of it.

I asked [REDACTED] why they would pick the woods near [REDACTED] for [REDACTED]'s body. He did not know, other than it probably happened over there. [REDACTED] said he is listed on Parole as a Cobra, but he is not. He was scared [REDACTED] was going to do something to his house or his girl [REDACTED]. [REDACTED] said he lived on [REDACTED]

D/Sgt. Frost asked why they would pick [REDACTED] and [REDACTED] to dump [REDACTED]'s body. [REDACTED] said he just heard the other day that [REDACTED] got pulled over and the police asked her if [REDACTED] killed [REDACTED]. [REDACTED] thought they dumped him there to make it look like [REDACTED] did it because [REDACTED] used to live right there. He did not know exactly why [REDACTED] was dumped there. [REDACTED] said [REDACTED] and [REDACTED] almost shot someone in the face the other day. [REDACTED] said he was not "bullshitting us."

D/Sgt. Frost asked how the Cobras communicate. [REDACTED] said they only talk in person. D/Sgt. Frost asked about the gun that killed [REDACTED]. [REDACTED] did not know. He said [REDACTED]s knew though. [REDACTED] explained [REDACTED] and [REDACTED] used to be close, but they were feuding right now. [REDACTED] was with [REDACTED] recently when [REDACTED] and [REDACTED] feared [REDACTED]. [REDACTED] said if

INTERVIEW

D/Sgt. Frost and I interviewed [REDACTED] on 12/01/2020. The interview was audio recorded. We were advised by Tpr. Neilson that [REDACTED] had information regarding the disappearance of [REDACTED] and wanted to speak with detectives.

[REDACTED] advised he was charged i [REDACTED]. He said it related to [REDACTED]. [REDACTED] said he was running around Flint trying to "dodge them" because "they" were trying to kill him. He advised on 11/22/2020, a female put something in his drink and he came to the Genesee County Sheriff's Office and told sheriff deputies that people were trying to kill him. [REDACTED] tried to get to the hospital, but the nobody would take him because of COVID. [REDACTED] began to talk about why [REDACTED] but we advised him not to because his attorney was not present. [REDACTED] advised he wanted his lawyer present before he talked about [REDACTED]. D/Sgt. Frost asked [REDACTED] if he was involved in the crime. [REDACTED] said no and he wanted to explain. [REDACTED] explained he was in [REDACTED] when [REDACTED] got killed. [REDACTED] advised he and [REDACTED] had been friends for years. [REDACTED] had someone who wanted to kill him because he a broke into a house and [REDACTED] visited him in [REDACTED] and told him [REDACTED] had been killed. [REDACTED] said the night he got killed, [REDACTED] was on Facetime with one of his friends. There were a lot of people walking in a house and his friend pulled down a black bandana from his face and was wearing a hoodie. [REDACTED] saw on Facetime his friend pull out a gun. A day or two later, he heard [REDACTED] got killed. [REDACTED] said at the time of the phone call, he did not put two and two together, but he thought his friend had something to do with killing [REDACTED].

[REDACTED] advised when he left [REDACTED], he needed a ride to his house on [REDACTED]. [REDACTED] called the same friend who he thought killed [REDACTED]. [REDACTED] refused to reveal the name of his "friend," but advised the friend [REDACTED]. When [REDACTED] got to his house, he observed the back screen door had been broken. His house was empty and trashed. They were in [REDACTED]'s house for a few minutes when his friend became antsy and wanted to leave. [REDACTED] said he was with that friend that whole day. They were driving on 12th Street and the friend said if the cops tried to stop them, they were running. [REDACTED] told his friend not to do that with him in the car. His friend told him the cops were after him for [REDACTED] because him and his cousin went to a house on [REDACTED] to take care of [REDACTED] for a certain person. [REDACTED] said his friend only told him that they "[REDACTED]". [REDACTED]'s friend said after it happened, his cousin and him took him to a vacant lot and threw him out on [REDACTED]. They sold the gun to another guy who was currently in jail. The guy they sold the gun to was bragging he killed [REDACTED] even though he did not. About a week later, this friend was driving a truck and ran from the police. The friend got away, but the police got the truck and there was something in the trunk that was going to connect this friend to [REDACTED] murder. D/Sgt. Frost asked if they were talking about [REDACTED]. [REDACTED] said no, and would not provide any names. [REDACTED] said his lawyer told him not to talk without a lawyer present.

[REDACTED] said his lawyer was Frederick Miller and told him not to talk at all. [REDACTED] said everyone involved was already in jail and they were trying to kill him. He said we knew who he was talking about.

D/Sgt. Frost asked [REDACTED] if he knew where [REDACTED]'s body was. [REDACTED] said he saw [REDACTED]'s body in the back of a truck with his own two eyes on 05/22/2020. The driver of the truck told [REDACTED] he was going over by [REDACTED]'s house on [REDACTED] to an abandoned trailer park. There was a cemetery behind the trailer park. [REDACTED] said the suspect knew [REDACTED]'s house was abandoned and trashed, so [REDACTED]'s body could be in his house. The truck was a single cab black pickup truck. The next morning, they tried to paint the truck white. The suspect

INTERVIEW ██████████ (CONTINUED):

D/Sgt. Campbell asked ██████████ when the last time she saw ██████████ was. ██████████ said everyone kept saying she was the last person to see ██████████. She did not know the exact date, but knew he was at the Burton Inn. ██████████ rented a room for them in her name at approximately 9:00 p.m. When they got to the room, ██████████ put his stuff down and went to hang out with his friends ██████████ who also rented a room there. ██████████ took a shower. ██████████ did not know ██████████ last name. When ██████████ got back to the room, he needed a ride to Beecher. ██████████ did not want to give him a ride. The next morning is the last time anybody saw him.

██████████ advised she and ██████████ and ██████████ went to ██████████ house because ██████████ just had a big fight with her husband. They took ██████████'s dogs to her northside house. ██████████ stated she had a 2012 Ford Fusion.

D/Sgt. Campbell asked about the hotel room again. ██████████ said she went to ██████████ and ██████████'s room for only a few minutes and did not stay long. ██████████ stated she was not in the "druggie" scene. ██████████, ██████████, and ██████████ were smoking meth and weed. At approximately 10:30 p.m., ██████████ asked her for a ride. ██████████ said no. ██████████ sat on the bed for a while and talked on the phone. ██████████ told ██████████ that a guy was going to pick him and they were going out. ██████████ did not know who picked him up. ██████████ never saw ██████████ again after he left with the guy. ██████████ saw the car ██████████ was picked up in the next morning. She said it was a silver Pontiac Gran Prix. ██████████ was unloading or loading clothes baskets into or out of that vehicle. ██████████ said ██████████ was unloading them in the parking lot around 1:00 p.m.

██████████ still had a basket of items in the room. It contained sweatpants, lottery tickets, and a hoodie. The sweatpants were currently in the back of ██████████'s car. ██████████ told ██████████ she had all of ██████████'s clothes in her trunk with blood on them which ██████████ thought was suspicious. ██████████ said she got hit in the head with a gun a few weeks ago and she had to hold her head together. ██████████ said her getting hit in the head had nothing to do with ██████████. She was mouthing off and got hit in the head by a man, but she would not provide his name. She said she got hit by a little dude with a .38 revolver.

██████████ said the night at the hotel, she went to Ann Arbor Street for about an hour to visit a friend. She let ██████████ in her room to take a shower after ██████████ had left. Then ██████████ went to bed and got up to check out the next day which is when she saw ██████████ loading or unloading clothes baskets into the silver car. That was the last time ██████████ physically saw ██████████. ██████████ advised she and ██████████ did not text or anything really, but she would text ██████████ who was ██████████ and ██████████ lived together at ██████████'s house on ██████████ left while ██████████ was in the parking lot. ██████████ has talked to ██████████ since the incident, but ██████████ did not say anything about what he said to ██████████. ██████████ and ██████████ would stay with ██████████ and ██████████ so ██████████ gave ██████████'s basket of belongings to ██████████ and ██████████. They told her they would take the items back to ██████████'s house for her.

D/Sgt. Campbell asked ██████████ to talk about ██████████'s house and the bloody clothes in her car. ██████████ advised she took a nap on ██████████'s couch at ██████████'s house on ██████████ and a girl named ██████████ were there. ██████████ woke up to a lot of guys yelling in the living room. ██████████, ██████████, and ██████████ took the keys to ██████████'s car and stole her boots, her phone, her birth certificate, her driver's license, a blanket, and hospital gown with blood on it. ██████████ had the handle to the sledgehammer with rubber on the end in her car she used to hold up her storage unit door in Birch Run. ██████████ said she did not confront them or talk to them all night. ██████████ identified ██████████ as ██████████ who was dating ██████████. ██████████ said ██████████ has possession of her old phone. ██████████ said when she woke up, ██████████ was there. She asked ██████████ for \$5 for gas. ██████████ wanted to go to ██████████ to visit more friends. D/Sgt. Campbell asked why they would steal from her. ██████████

D/Sgt. Campbell asked who was in the car with █████. █████ did not know. D/Sgt. Campbell asked if █████ had called or texted █████ after the last time she saw him at 1:00 p.m. █████ said yes. She called twice and it rang and rang. I asked [REDACTED] if she knew about [REDACTED] [REDACTED] or [REDACTED]. [REDACTED] heard he got shot a bunch of times and died. [REDACTED] said she did not know [REDACTED] or anything about his death. [REDACTED] said everybody talked about [REDACTED]'s death, including [REDACTED] and [REDACTED]. INTERVIEW [REDACTED] (CONTINUED):

Det. Salem asked [REDACTED] when the last time she talked to [REDACTED] was. [REDACTED] said earlier that day [REDACTED] messaged her and told her she was moving. [REDACTED] said [REDACTED]'s house on [REDACTED] the front. Det. Salem asked how [REDACTED] told [REDACTED] s [REDACTED]. Det. Salem asked when [REDACTED] said a few days after that. Det. Salem asked [REDACTED] [REDACTED] said it was not by [REDACTED], but it was by [REDACTED] of whom she did not want to reveal his name.

Det. Salem thought [REDACTED] knew more than she was saying. [REDACTED] said she didn't want to give the police wrong information and have it come back to hurt her. I asked what [REDACTED] or [REDACTED] drove. She said [REDACTED] drove a big, [REDACTED]. She did not know the color. [REDACTED] did not know what [REDACTED] drove. [REDACTED] said she has been in the driveway of the house [REDACTED] but never been inside. She has never been in the driveway or anything of the [REDACTED] e. [REDACTED] said she was at the [REDACTED] because she was with [REDACTED] when [REDACTED] dropped off a basket of laundry to [REDACTED] that [REDACTED] washed for her. [REDACTED] said she heard they physically found [REDACTED] phone behind [REDACTED] house. She did not know which house. She heard the information from [REDACTED], so she thought it was accurate. I asked where [REDACTED]'s phone was currently. [REDACTED] did not know. [REDACTED] thought the cops found [REDACTED]'s phone behind [REDACTED]'s house.

[REDACTED] identified [REDACTED] as [REDACTED] who was approximately 24 or 25 years old. She knew [REDACTED] was not her real name, but [REDACTED] did not know her real name. [REDACTED] spoke of [REDACTED] and advised she has never met [REDACTED] in person and does not know what he looked like. [REDACTED] had no idea where [REDACTED] laid his head or where he lived. [REDACTED] said [REDACTED] and [REDACTED] had not been home in two or three days. Det. Salem asked if [REDACTED] knew a guy named [REDACTED]. She said yes and [REDACTED] ung out with [REDACTED]. [REDACTED] met [REDACTED] through [REDACTED]. [REDACTED] went with [REDACTED] pick up [REDACTED] and bring [REDACTED] back to [REDACTED]'s house a few days before [REDACTED] went missing. [REDACTED] knew [REDACTED]'s name was A [REDACTED]

D/Sgt. Campbell asked if [REDACTED] had been to a house on [REDACTED] thought so, but was not sure. D/Sgt. Campbell asked how well [REDACTED] knew [REDACTED]. [REDACTED] said she only met [REDACTED] one time when [REDACTED] stole her items out of her car. [REDACTED] said [REDACTED] and [REDACTED] just recently got together. [REDACTED] did not think [REDACTED] drove a vehicle. Every time [REDACTED] saw [REDACTED], he was walking. D/Sgt. Campbell asked if [REDACTED] knew [REDACTED]. [REDACTED] said no.

[REDACTED] confirmed that on May 20th, she helped [REDACTED] move and got the hotel room at the Burton Inn with [REDACTED]. On May 19th, [REDACTED] and [REDACTED] picked [REDACTED] up from a house on [REDACTED] and brought him back to [REDACTED]'s house. Then [REDACTED] asked for a ride to the Burton Inn to hang out with [REDACTED] and [REDACTED] around 4:00 p.m. [REDACTED] dropped [REDACTED] off and [REDACTED] went to run errands. There a man named [REDACTED] that was with [REDACTED], [REDACTED], and [REDACTED] at the Burton Inn. [REDACTED]'s brother [REDACTED] was possibly there too. [REDACTED] could not remember if she was talking about a 3-day span or a 2-day span. [REDACTED] was confused on her timeline and details. [REDACTED] said [REDACTED] paid \$60 a night for the room at the Burton Inn. He paid for it, but she got it in her name. [REDACTED] said she just stayed and paid for one night. [REDACTED] said we were confusing her and she did not know anymore. [REDACTED] said [REDACTED] stayed one night in [REDACTED] and [REDACTED]'s room. She drove him to get a change of clothes at his house on [REDACTED] brought him back. [REDACTED] thought it was definitely a 2 day span and not 3 days. Det. Salem asked when [REDACTED] was at the hotel with them. [REDACTED] said it was the day they checked in. [REDACTED] was just in [REDACTED] and [REDACTED]'s room and did not sleep there or stay the night there. [REDACTED] said there were too many cops in the parking lot

INTERVIEW [REDACTED]

I was notified by Tpr. Neill of the Tri-City Post that a male he arrested had information regarding the disappearance of [REDACTED]. D/Sgt. Frost and I interviewed [REDACTED] on 11/17/2020. The interview was audio recorded. The following is a summary of the interview.

[REDACTED] verbally identified himself and said he resided at [REDACTED] with a phone number of [REDACTED]. [REDACTED] went by the street name of [REDACTED]. [REDACTED] was hesitant to talk without a deal in writing, but advised the Cobras were trying to kill him, so he wanted to speak freely. [REDACTED] explained he has known [REDACTED]. [REDACTED] stated he told [REDACTED] what happened to [REDACTED] months ago when they were drinking and told him it was a missing persons case. [REDACTED] said [REDACTED] teared up and [REDACTED] told him that [REDACTED] was gone.

[REDACTED] advised he was a Crip and not a Cobra, but he was in prison with a lot of the higher-up Cobras, so they respected him. [REDACTED] was a Cobra. [REDACTED] advised the people involved in [REDACTED]'s murder were [REDACTED], and [REDACTED]. [REDACTED] said over time, each person involved told him their version of what happened, but he heard most of it from [REDACTED] and [REDACTED] were dating at the time of the incident. [REDACTED] said [REDACTED] was supposed to be related to [REDACTED] thought that was a lie. [REDACTED] identified [REDACTED] and said she went by [REDACTED]

[REDACTED] knew [REDACTED] and [REDACTED] because when [REDACTED] was in jail, [REDACTED] took care of [REDACTED] and would ride around with her and keep her straight. They got rides from each other. [REDACTED] stated [REDACTED] lacked human emotion and did not have sympathy or empathy [REDACTED] told [REDACTED] way before the incident [REDACTED]

INTERVIEW [REDACTED] (CONTINUED):

[REDACTED] knew about [REDACTED]'s murder because [REDACTED] called him for a ride to Walmart at approximately 3:30 p.m. the day after it happened. [REDACTED] drove a gray Gran Prix and pulled up in front of [REDACTED] and [REDACTED]'s house on [REDACTED]. [REDACTED] described it at the residence on the corner of [REDACTED] with a field next to it. [REDACTED] said it was summertime. [REDACTED] came out of the house followed by [REDACTED]. [REDACTED] told [REDACTED], "bro blew somebody, bro blew somebody for me." [REDACTED] thought it meant that [REDACTED] was going to attempt to kill him. [REDACTED] got into the car "wide-eyed" and told [REDACTED], "I do somebody for bro." [REDACTED] drove them to the store at Lippincott and Dort. [REDACTED] asked [REDACTED] what he meant by that. [REDACTED] said, "I ain't talking about you [REDACTED]. [REDACTED] felt better and left it at that. [REDACTED] advised [REDACTED] had a lot of money on him that day and kept trying to buy for everyone.

After the store, they drove to Walmart in Burton. [REDACTED] waited by the entrance while [REDACTED] and [REDACTED] went to give [REDACTED] and [REDACTED] some money. [REDACTED] and [REDACTED] were in the checkout and had their own ride. [REDACTED] said they looked ashen and just had a look on their face that something happened. After they gave [REDACTED] and [REDACTED] money, [REDACTED] drove [REDACTED] back to his house on [REDACTED] and dropped him off. [REDACTED] stayed with [REDACTED] and told him what happened. [REDACTED] did not want to go back to [REDACTED]'s house. When [REDACTED] got out of [REDACTED]'s car, he dropped a [REDACTED].

[REDACTED] told [REDACTED] that [REDACTED] came over to [REDACTED]'s house on [REDACTED] with a couple thousand and wanted to party. [REDACTED] hit [REDACTED] with a violation for robbing [REDACTED] ([REDACTED]). It was supposed to be just a regular violation where [REDACTED] would take a few punches or fight with [REDACTED], but [REDACTED] said [REDACTED] shot [REDACTED] in the head once with [REDACTED]'s .38 revolver. [REDACTED] had an AK pointed at [REDACTED] and [REDACTED] told [REDACTED] to do it, but [REDACTED] could not do it. [REDACTED] did it for him. [REDACTED] said the aftermath was "taking [REDACTED] apart" which they did in the basement. [REDACTED] and an [REDACTED] got rid of the remains and are the only two who know where they are at. [REDACTED] knew [REDACTED] drove down a dirt road and stopped where they got rid of [REDACTED]. [REDACTED] did not know any more details regarding where [REDACTED]'s remains were located. [REDACTED] said [REDACTED] did it with [REDACTED] because [REDACTED].

[REDACTED] told [REDACTED] that [REDACTED] came over for a violation for robbing another Cobra. [REDACTED] had a gun with him. Instead of taking his violation, [REDACTED] kept trying to cock his gun but it wasn't working. [REDACTED] was "huffing and puffing" and was not taking position for his violation. [REDACTED] was scared [REDACTED] was going to shoot someone in the house, so [REDACTED] shot him. [REDACTED] gave [REDACTED] a 3 count, then a 6 count before it happened.

[REDACTED] a similar story, but said after [REDACTED] shot him in the head, [REDACTED] wouldn't die. [REDACTED] slit his throat, but [REDACTED] just would not die. [REDACTED] told [REDACTED] to do it, but [REDACTED] would not do it. [REDACTED]

[REDACTED] said [REDACTED] never really talked about the details of what happened, but just told [REDACTED] that "it was crazy" and [REDACTED].

[REDACTED] advised he was hanging out with [REDACTED] and [REDACTED] drove him to [REDACTED] a few times. [REDACTED] thought [REDACTED] drove him there on purpose to try and get him to tell [REDACTED] what happened. [REDACTED] knew what happened to [REDACTED] because [REDACTED] told him a little bit of what happened. [REDACTED] used to ride around with [REDACTED] known as [REDACTED] and sell ice. [REDACTED] was [REDACTED]'s bodyguard. [REDACTED] thought [REDACTED] was the real plug for ice, but later learned [REDACTED] was just stealing and selling what he could. [REDACTED] heard about [REDACTED] through [REDACTED].

[REDACTED] and [REDACTED] thought [REDACTED]'s body was at [REDACTED]. [REDACTED] said he met [REDACTED] one time. [REDACTED] did not know where [REDACTED]'s property was other than in Clio. [REDACTED] thought [REDACTED] was trying to get information about [REDACTED] to tell the police and get a deal for his crimes.

[REDACTED] thought [REDACTED]'s body was on [REDACTED] at whatever address [REDACTED]. If [REDACTED] robbed [REDACTED]'s girlfriend, [REDACTED], [REDACTED] thought [REDACTED] probably had something to do with [REDACTED]'s death. [REDACTED] was [REDACTED] was involved in the incident that got [REDACTED] arrested in Saginaw County. [REDACTED] thought it was all related. He said he thought [REDACTED] had tried to shoot him before, but [REDACTED] was not scared of [REDACTED]. He thought [REDACTED] was trying to set him up to die, but [REDACTED] said he had been doing Ice and could be paranoid.

[REDACTED] thought [REDACTED] people were following him trying to kill him also. [REDACTED] sent Facebook messages to [REDACTED] saying he did not have anything to do with [REDACTED]'s death and [REDACTED] needed to call his people off. [REDACTED] said he knew [REDACTED] did not kill [REDACTED] and did not have anyone following [REDACTED].

[REDACTED] advised [REDACTED] ran to [REDACTED] with his girlfriend soon after it happened because he was scared. [REDACTED] told his baby's mother and a few other people about what happened to [REDACTED] within a few days of it happening. [REDACTED] said [REDACTED] has expressed remorse to him about what he did to [REDACTED]. [REDACTED] thought [REDACTED] would confess and turn himself in. [REDACTED] told [REDACTED] about another body under his belt, but [REDACTED] did not know anything about it. [REDACTED] said there were many more people other than him who knew what happened to [REDACTED]. [REDACTED] said he would testify in front of people with this information because he was not scared of anyone.

We asked [REDACTED] if he had any information regarding the homicide of [REDACTED] (REDACTED). [REDACTED] said he did not know [REDACTED] and only heard about [REDACTED] through [REDACTED]. [REDACTED] was at [REDACTED]'s house on [REDACTED] one day when [REDACTED] asked if he was scared because of what happened to [REDACTED]. [REDACTED] said he did not know [REDACTED], and [REDACTED] told him [REDACTED] got shot 6 times in the face. [REDACTED] said he did not know if [REDACTED] was the other body [REDACTED] was referring to or not.

[REDACTED] advised [REDACTED] and [REDACTED] had a light blue 2011 Chevy Cruze they bought from [REDACTED]. A girl named [REDACTED] who hung out with [REDACTED] bought it from [REDACTED] and [REDACTED]. Then [REDACTED] and [REDACTED] bought it back and that is what they were currently driving [REDACTED] for a while because [REDACTED]. [REDACTED] knew [REDACTED] lived on [REDACTED] but did not have any other details.
